Prima pagina

A man with a grey beard and short grey hair is shown in profile, looking towards the left. He is wearing a dark, quilted jacket. In the background, several white wind turbines are visible against a clear blue sky. The lighting suggests it might be late afternoon or early morning, with a warm glow on the man's face.

europeanparliament #OnThisDay 37 years ago, the EU officially began to use the European flag

It has gone on to become a rallying point in the EU and beyond, symbolising the values we defend every day.

It continues to inspire and bring people together across borders.

What does the EU flag mean to you? ☆

A diverse group of young people, including men and women of various ethnicities, are standing in front of modern, multi-story apartment buildings. They are looking towards the camera with serious expressions. The scene is set outdoors during the day, with a clear sky and some clouds. The buildings in the background have a mix of brick and glass facades.
