What is a procedure file?

- Individual record of parliamentary procedure
- Includes
 - procedure number, title, legal basis, subject area
 - procedure timeline: chronology of past events and forecasts for future stages
 - key players
 - document references with hyperlinks to the texts
 - summaries of key documents and events
- As the procedure progresses, the file is updated.

Statistics

30,000 to 40,000 unique visitors per month

Increased visits at pre-session and session weeks

Most users access the OEIL directly, which means they have bookmarked it

¼ of visitors come from the EU institutions, mainly EP

The rest ¾ are from all occupational categories, (such as lobbyists, journalists, academics, students, lawyers, administrative officials, researchers)

Most users are regular - frequent

Nearly all users also use EUR Lex

the level of satisfaction with the Legislative Observatory is high

Users expectations are, in order of priority, good search functions and full procedure files with links to documents, key events, key players and summaries
