

SURVEY FROM THE PEWG ON EUROPEAN REPOSITORIES REGARDING THE POSSIBLE EVOLUTION OF ESO

Reaction from the Italian EDCs Network

Malta, 8 November 2011

Tiziana Dassi

EDC Bocconi University – PEWG

Magda Sanna

EDC University of Sassari – National Deputy Coordinator

Promotional activity on PEWG in Italy

- Web page on the project at the national website of the Italian EDCs: www.cdeita.it
- Collaboration of the Italian PEWG member with the Group of coordination of the Italian EDCs
- Discussion on the list of the Italian EDCs
- Debate at the annual national meeting in Milan (May 2010) and in Rome (October 2011)

Participation in the survey on European Repositories

- Highest number of participants (25% of feedback from Italy)
- Interest in collaborating to the ESO/EDC project
- Questions about the next stage of the project (subscription, training, information sources,...)
- Request of detailed information about the contribution asked to the Italian EDCs

CONCLUSION

- The Italian EDCs network is quite active and well organized at a national level
- The participation of the Italian EDC in the first stage of the project will be in representation of the network as a whole
- Free access to ESO has to be granted to all the Italian EDCs
- The EDC trained in the first physical training session should be the trainer of other EDCs in Italy
